# TRUCKEE FIRE COMMUNITY WILDFIRE PROTECTION PLAN

PUBLIC REVIEW PERIOD ANNOUNCEMENT

Truckee Fire Protection District (Truckee Fire), in collaboration with SWCA Environmental Consultants, is pleased to announce the commencement of the public review period for the 2024 Truckee Fire Community Wildfire Protection Plan (CWPP). The review period is scheduled from January 22, 2024, through February 20, 2024.

HOW YOU CAN PLAY A VITAL ROLE IN THE DEVELOPMENT OF THE PLAN

As we enter this important phase of the planning process, Truckee Fire seeks the active participation and engagement of Truckee community members. We invite all community members (full and part-time residents, property owners, individuals in the workforce) to review the draft CWPP and accompanying Story Map and provide invaluable feedback to ensure its effectiveness and alignment with the unique needs of our community.

The draft CWPP and Story Map will be available for review and comment starting on January 22, 2024. To access the draft CWPP and Story Map and participate in the review process, interested parties can visit our dedicated website **https://truckee-fpd-cwpp-townoftruckee.hub.arcgis.com/ or scan the QR code to the right**. On the website, you will find a comment submission form.

GET INVOLVED!

We will hold two in-person public meetings on **February 7, 2024**, and two virtual meetings on **February 12, 2024**, to discuss and comment on the CWPP and Story Map. All meetings will have the same content and format.
